INDEPENDENT PARLIAMENTARY STANDARDS AUTHORITY VOTE ON ACCOUNT 2018-19

INTRODUCTION

VOTE ON ACCOUNT FOR 2018-19

Schedule 1, paragraph 22 of the Parliamentary Standards Act 2009 requires the Independent Parliamentary Standards Authority to submit to the Speaker's Committee each financial year an estimate of the Authority's income and expenditure.

The Vote on Account provides finance to allow existing services to continue during the early months of the coming financial year, pending Parliament's consideration of the Independent Parliamentary Standards Authority's Resource Estimate for 2018-19.

The Vote on Account is presented in resource, capital and cash terms. The amounts are normally a standard 45% of the amounts already voted for the corresponding services in the current year, taking account Main and Revised Estimates where appropriate. This amount should be sufficient to ensure that funding is not exhausted before the Supply and Appropriation Act is passed in the summer, but not so high as to prejudge Parliament's consideration of the main Supply Estimate.

This Vote on Account together with those for the House of Commons Administration(HC), National Audit Office (HC), Electoral Commission (HC), Local Government Boundary Commission for England (HC), and those for central government departments (HC) will be incorporated with Supply and Appropriation (Anticipation & Adjustment) Bill that follows presentation of the Supplementary Estimates 2017-18 and the Vote on Account, which will seek statutory authority for the issue from the Consolidated Fund of a sum equal to the Vote on Account.
